3. Level/year at which this course is offered:	Level 5/ 3 rd Year
4. Course general Description	<p>The course tackles the study of different morpho-syntactic components of the language, and the study of some major syntactic analyses. It gives a brief introduction to the different syntactic eras to familiarize the students with the different syntactic theories.</p>
5. Pre-requirements for this course (if any):	Introduction to Linguistics
6. Co- requirements for this course (if any):	
7. Course Main Objective(s)	<p>The main objective of the course is to develop the students' knowledge of different morphosyntactic components of the language.</p>
