

## Operational Plan for the Community Participation Committee in the Department of Physics for the 2024-2025 Academic Year

This plan was prepared by members of the Physics Department and members of the Community Service Committee in the Physics Department. It includes several lectures, as follows:

1. Providing professional licensing courses in physics for secondary school physics teachers at the Directorate of Education in Najran City.
2. Participation of Dr. Tayseer Al-Najjar and some Najran University students in the National History Laboratory in Riyadh.
3. Presentation of an Effective Mathematics Presentation Skills Program by Dr. Aref Al-Sayyadi.

Prepared by the Community Service Committee
