B Objectives

1. What is the main purpose for this course?
<ul style="list-style-type: none"> To increase the students' acquisition of new vocabulary and use them in meaningful sentences and different contexts & situations.
2. Briefly describe any plans for developing and improving the course that are being implemented. (e.g. increased use of IT or web based reference material, changes in content as a result of new research in the field)
1. Increased use of technology (PowerPoint and data show). 2. Consistently change the list of topic to be up to date and contemporary to motivate students.

C. Course Description (Note: General description in the form to be used for the Bulletin or handbook)

Course Description:
The course is designed to give students the support they need to master more than 2,500 words and phrases in American English for learners of English at intermediate and upper intermediate level. Very carefully selected vocabulary is presented in a clear and authentic context. The vocabulary taught is useful, up-to-date, and presented in a natural context with additional activities for extra vocabulary and practice. Firmly based on current vocabulary acquisition theory, the course promotes good learning habits and teaches students how to discover rules for using vocabulary correctly.
